THE
LOYAL-WISH.

FREE from all the Fears,
Reſulting from Wars;
From **Court** Paraſites,
And **Cloak** Hypocrites;
From **Kit**'s Adulation,
And **Whig**'s **Moderation**,
Good Heav'n! preſerve our QUEEN.

From Conſpiracies,
And **Scotch-Villanies**;
From all the Cares,
A Monarch bears;
From Her Laws Evaſion,
And **Knaves** on **Occaſion**,
Oh! May She be ever ſecur'd.

May nought but Succeſs,
Her Reign ever Bleſs,
Till *France* is undone,
And *Spain* is quite won;
And may all Her Foes,
Receive nought but Blows,
As Payment for all their Toils.

Let **Jacks** and their *Folly*,
And **Whigs** *Melancholly*,
For ever now ceaſe in Her Kingdom;
And may all Her Quarrels,
Bring *MARLBRO'* freſh Laurels,
Whilſt He is engag'd in Her Cauſe.
